

Miss Ry is an extremely intuitive mystic who can connect with the energies and the spirit realm. With this gift she is able to tap into energies, clear negative energies, connect with beings of the spirit realm/ including spirit guides. And give you advice to guide you on your journeys path.

Miss Ry has been reading Tarot cards for 15 years and has been practicing mediumship for 5 years.

She had an awakening which was similar to that of an ancient Shaman awakening where she took a journey through spirit and the underworld. From there she was able to connect on a deeper level with that of the unknown and share these gifts with the world.

Miss Ry is most passionate about helping others who are light workers or are beginning their awakening journey.

- I'm very excited to start the Heart of Stone where I can give in-person readings as well as host classes and workshops! I can't wait to see all of you there!

"You have this thing, this thing that no one else has. It's right here, keep it in your heart."
